

SAFETY PROTOCOLS FALL 2021

Based upon recommended guidelines, and our determination to protect our Dancers, the following protocols will be in place for the Fall 2021:

1. For the safety of others please do not bring your child if they are not feeling well.
2. Only Dancers are permitted to enter the studio. Parents may drop off at pick up outside the front door (maintaining social distance from one another).
3. Due to capacity limits the lobby will be closed to parents to stay except for parents with children ages 5 and under. No Siblings will be permitted to stay.
4. If you are unvaccinated it is mandatory to wear a mask in all common areas such as bathroom, hallways, and lobby. If you are vaccinated it is optional to wear a mask in all common areas such as bathroom, hallways, and lobby. We strongly encourage a mask be worn in the studio while dancing but it is not mandatory. **All staff members have been fully vaccinated.**

The studio staff will ensure that

1. Barres, Mats, and any props will be cleaned with disinfectant after each class.
2. All common areas, handles, railings, bathrooms will be wiped down with disinfectant throughout the day.
3. A commercial disinfectant GREEN treatment will sanitize the entire studio, throughout the day.
